

Board of Officers Notes 2/20/08
P. Ormsbee, T. Snow, C. Lausen

Bob Berry

We shared our sense of loss and discussed the transition Pat will be facing – we want to be there for her however we can.

Gray lit

Pat O. will contact Joel about his database. Ask Erinn and Scott if we can have folks enter the information themselves (title, annotation, contact info, key search words) and have it enter a database automatically, so they don't have to manage it by hand.

WNS

Pat O. is trying to get someone on the next Board call to talk to us about the latest on this topic

Forum review

We came up with some specific changes: When someone signs on, they get a welcome message with guidelines and ground rules

Change welcome section to 1 topic "welcome" with same message as above

Change "general topics" to "Bulletin Board"

Change "anything goes" to "open forum" and move to "topics" section

Move "Bat news/Alerts" to Topics section

Replace "committees" with "Topics"

Delete "research committee", "Board", and "Officers"

Moderators: wind – Cori

Caves, mines – Jason

Ed – Deborah ?

Open session – Erinn

Jobs – Toni

For Sale, trade – Tim
